

# Neighbourhood Watch Strategy / Block Captain Training Sessions

*“Everyone can help!”*

- If you live in Ajax, you are invited to attend a free informational evening to learn about how to improve community safety, how to become an active partner in your local or future Neighbourhood Watch, and what you and your neighbours can do to make a difference! First meeting is a general info night and second one is targeted Block Captain training.

**Date:** Monday, January 9, 2012 and/or  
Monday, January 23, 2012

**Time:** 7:00 pm—9:00 pm

**Location:** McLean Community Centre,  
95 Magill Drive (at Westney) - Meeting Room #1

At the training session, special guests from the Durham Regional Police Service will educate us about how to organize (or rejuvenate) a Neighbourhood Watch, about what is expected of a Block Captain within a Neighbourhood Watch, about what is needed from each Watch member, and about how to be an effective partner in crime prevention in our community. Our Regional Neighbourhood Watch Coordinator will be on hand to discuss the benefits of this key community-based crime prevention program.

*Remember, crime prevention is a matter of attitude and involvement by all, not just a job for a few professionals.*

*Don't miss this great educational opportunity, sponsored by the Durham Regional Police Service, the Town of Ajax, and local Neighbourhood Watches!*
